**Wyoming Recognized by Government Finance Officers Association for
Excellence in Financial Reporting**

CHEYENNE, WY – The State Auditor’s Office is proud to announce it has been honored with the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for its Fiscal Year 2016 Comprehensive Annual Financial Report (CAFR). This is the 19th consecutive year that the State Auditor’s Office has been recognized for this award, which is considered the highest form of recognition in governmental accounting and financial reporting.

State Auditor Cynthia Cloud accepted the award on behalf of the State Auditor’s Office.

“I want to recognize the efforts of the State Auditor’s Office team for their dedication to excellence in financial reporting,” said State Auditor Cynthia Cloud. “We are a small office with a big mission to provide Wyoming citizens assurance that their tax dollars are properly accounted for and transparent.”

As Wyoming’s chief comptroller and payroll officer, the State Auditor is committed to promoting transparency and financial accountability. The CAFR is produced by the Auditor’s Office annually to illustrate the state’s financial condition to the public and the legislature.

An impartial panel of individuals with expertise in public sector financial reporting reviewed the State of Wyoming’s CAFR. This review ensured the CAFR met the highest possible standards of the GFO program including “the spirit of full disclosure” that clearly communicates the State’s financial story.

The GFOA is a non-profit professional association serving more than 19,000 government finance officials throughout the United States and Canada.
